To get from the airport to the Sony office our recommendation is to take a taxi (much quicker than public transportation). To get to the city center from the airport our recommendation is to use the train (S2, S3; ~30 minutes).

When travelling via Frankfurt you may consider taking a train from Frankfurt to Stuttgart instead of a flight. Trains run frequently between Frankfurt airport and Stuttgart main station. Some can also be booked as a LH flight ('AirRail'; airport code for the main station is 'ZWS').
